Can I Use My HSA or FSA?

You're Not the First Person to Ask.

In fact, it's one of the questions we hear most often.

Many members have shared that their HSA or FSA administrator determined their Foot Capacity System purchase qualified for reimbursement under their individual plan.

That's exactly why we created this guide.

We'll explain how reimbursement typically works, what documentation you'll receive, and a few questions worth asking before you purchase.

Member Feedback

“ I honestly didn't think my HSA would cover it. My WEX plan approved reimbursement after I submitted my receipt.”

— Foot Capacity System Member

Every HSA and FSA plan is different. Eligibility is determined by your plan administrator.

How It Typically Works

1

Purchase

Purchase your membership.

2

Receive Your Documentation

Your receipt is emailed automatically after purchase.

3

Submit to Your Plan

If requested, submit your receipt according to your administrator's instructions.

Your Receipt Includes

- ✓ Purchase information
- ✓ Licensed healthcare provider information
- ✓ NPI and physical therapy license number
- ✓ Program description
- ✓ Payment details

Everything many HSA and FSA administrators commonly request in one document.

Before You Call Your Administrator

A quick phone call today can help you understand your benefits.

Call your HSA or FSA administrator and [ask](#):

1. Can I use my HSA or FSA for this rehabilitation program?

Physical therapy and related rehabilitation programs are often considered eligible expenses, but every plan is different.

2. If I pay first, can I request reimbursement?

Some plans allow direct payment with your HSA/FSA card. Others reimburse you after purchase.

3. Is any additional documentation required?

We provide a detailed receipt that includes the information many administrators request.

4. What's the preferred way to submit my receipt?

Ask if they prefer online portal, email, mail, or their mobile app.

Why This Matters

Many members discover they already have HSA or FSA funds available—they simply hadn't asked.

A quick phone call today can help you understand your benefits before purchasing.

What You'll Receive

- ✓ Provider information
- ✓ NPI and physical therapy license number
- ✓ Program description and purpose
- ✓ Purchase and payment details
- ✓ Clear receipt for reimbursement requests

Important Reminder

Every HSA and FSA plan is different.

Only your plan administrator determines reimbursement eligibility.

If you're unsure, a quick phone call before purchasing can usually answer your questions.
