Design Your Habit Stack

Use existing daily cues to trigger recovery habits

A. Choose Your Anchor

Examples: morning coffee brewing, standing from desk, after brushing teeth, opening laptop

MY ANCHOR (DAILY CUE)

B. Design Your Stack (≤2 minutes total)

Formula: When [anchor], I will [micro-habit] for [time/ reps]

MICRO-HABIT 1 (ACTION & DOSE)

MICRO-HABIT 2 (OPTIONAL)

TOTAL TIME EXPECTED

SUCCESS MEASURE

C. If-Then Fallback Plan

Decide a backup so you don't skip entirely

IF I MISS BECAUSE [BARRIER]

THEN I WILL INSTEAD DO [FALLBACK]
