Activity Intensity Guide

Use this to score intensity for your foot (0-5)

- 0

No load: seated work, non-weightbearing
- 1

Minimal: light standing, kitchen tasks
- 2

Light: typical walking around house/office
- 3

Moderate: brisk walking 20-40 min
- 4

High: running, long hike, heavy standing
- 5

Very high: intense intervals, uphill with weight

Quick Baseline

AVG MORNING PAIN (0-10)

AVG END-OF-DAY PAIN (0-10)
